

SHAFABU SHABUDEEN

JAVA DEVELOPER

India | Remote-Worker | (91) 9585736703 | shafashabbu@gmail.com | [LinkedIn](#) | [GitHub](#)

PROFESSIONAL SUMMARY

Certified Java Professional with 6 months of expertise in core and advanced Java, including Spring Boot. Crafted and launched a Movie Web Application, driving a 30% conversion rate increase. Designed a Dashboard Web Application with intuitive data visualization using modern UI frameworks. Ready to deliver impactful solutions for organizational success.

SKILLS

- **Programming Languages:** Java (Core & Advanced), C++ (Basic).
- **Frameworks:** Spring Boot (including Microservices experience), React.
- **Database:** SQL, MongoDB & PostgreSQL.
- **Web Development:** HTML, CSS, JavaScript, jQuery.
- **Agile Methodology:** Scrum, Jira, Agile development practices.
- **Version Control:** Git (Code management & collaboration).
- **Dev Tools:** Familiarity with relevant tools like Maven, IDEs, etc.
- **Soft Skills:** Communication, Teamwork, Problem-Solving, Time Management, Adaptability, Continues Learning.

ACCOMPLISHMENTS

- Spearheaded a collaborative final year project with a team of 5, tackling complex challenges and implementing innovative solutions. Our teamwork and problem-solving prowess earned us a remarkable 90% score and glowing praise from the judges, showcasing my expertise in leadership, communication, and technical adaptability.
- Achieved excellence through completion of TCS-ion Career Edge- Young Professionals, a program empowered by TCS.

WORK EXPERIENCE

JAVA WEB DEVELOPER | Slings Solution, Navi Mumbai | Remote

(12/2023) – Present

- Developed robust backend components for web applications using Java and Spring Boot.
- Designed and implemented efficient database interactions with MySQL.
- Collaborated with team members to deliver projects on time and within budget.

JAVA EDUCATOR |TechGen, Navi Mumbai | Remote

(08/2023) – Present

- Instructed Core and Advanced Java, achieving a 95% pass rate in both courses among a diverse student group of 20+ students.
- Implemented interactive learning through practical sessions and hands-on exercises, resulting in a 15% increase in average project scores.
- Delivered engaging and effective classes in English, consistently receiving positive student reviews with an average rating of 4.8 out of 5.

- Employed personalized teaching methods based on individual student assessments, leading to a 20% reduction in student learning gaps.
- Provided mentorship and guidance, resulting in 60% of students securing Java-related internships.

JAVA DEVELOPER INTERN | Hulk Hire, Hyderabad

(09/2023) – (11/2023)

Project | Trustly Payment Integration, Remote

(09/2023) – (11/2023)

- Integrated Trustly Payment Solution into an e-commerce app as part of an intern role, enhancing the payment experience.
- Used Java technologies like MongoDB and Spring Boot for integration, leading to a 30% increase in conversion rates and a 20% reduction in cart abandonment.
- Developed Trustly Payment integration using Java, MongoDB, and Spring Boot.
- Designed secure APIs for seamless communication.

PROJECTS

Personal Portfolio Website

- Created a personal portfolio website utilizing HTML, CSS, and JavaScript to showcase my skills, projects, certification, and expertise.
- The website emphasizes modern web development techniques for an exceptional user experience. Explore the website: <https://shafa-shabudeen.github.io/shafaShabbu.com/>

Dashboard Web App | Data Visualization | (03/2023) – (05/2023)

- Orchestrated the development of a sophisticated dashboard using Spring Boot and React.
- Merged backend functionality seamlessly for a cohesive user experience.
- Leveraged PostgreSQL for seamless data integration and filtering.

Movie Web App | (01/2023) - (03/2023)

- Developed and optimized a Java-based Movie Web Application using Spring Boot, React, and MongoDB, enhancing user interaction and enabling efficient movie selection. Improved search efficiency, resulting in a 40% reduction in search time.

EDUCATION

Full Stack Web Development | Java, HTML, CSS, JavaScript, jQuery, and React.

TechGen Institute, Vashi, Navi Mumbai.

B.Sc. (Bachelor of Science) | Graduation Year (2023)

Jamal Mohamed College, Trichy.

CERTIFICATIONS

- Getting Started with MongoDB Atlas (MongoDB University).
- Introduction to Cloud Computing (Coursera provided by IBM).
- Introduction to Web Development using HTML, CSS, and JavaScript (Coursera provided by IBM).
- Advance Software Engineering Virtual Experience Program (Forage by Walmart Global Tech).
- Advanced Java Programming (LinkedIn Learning).
- Professional Java Developer (Udemy).
